

2006 CMCA Review

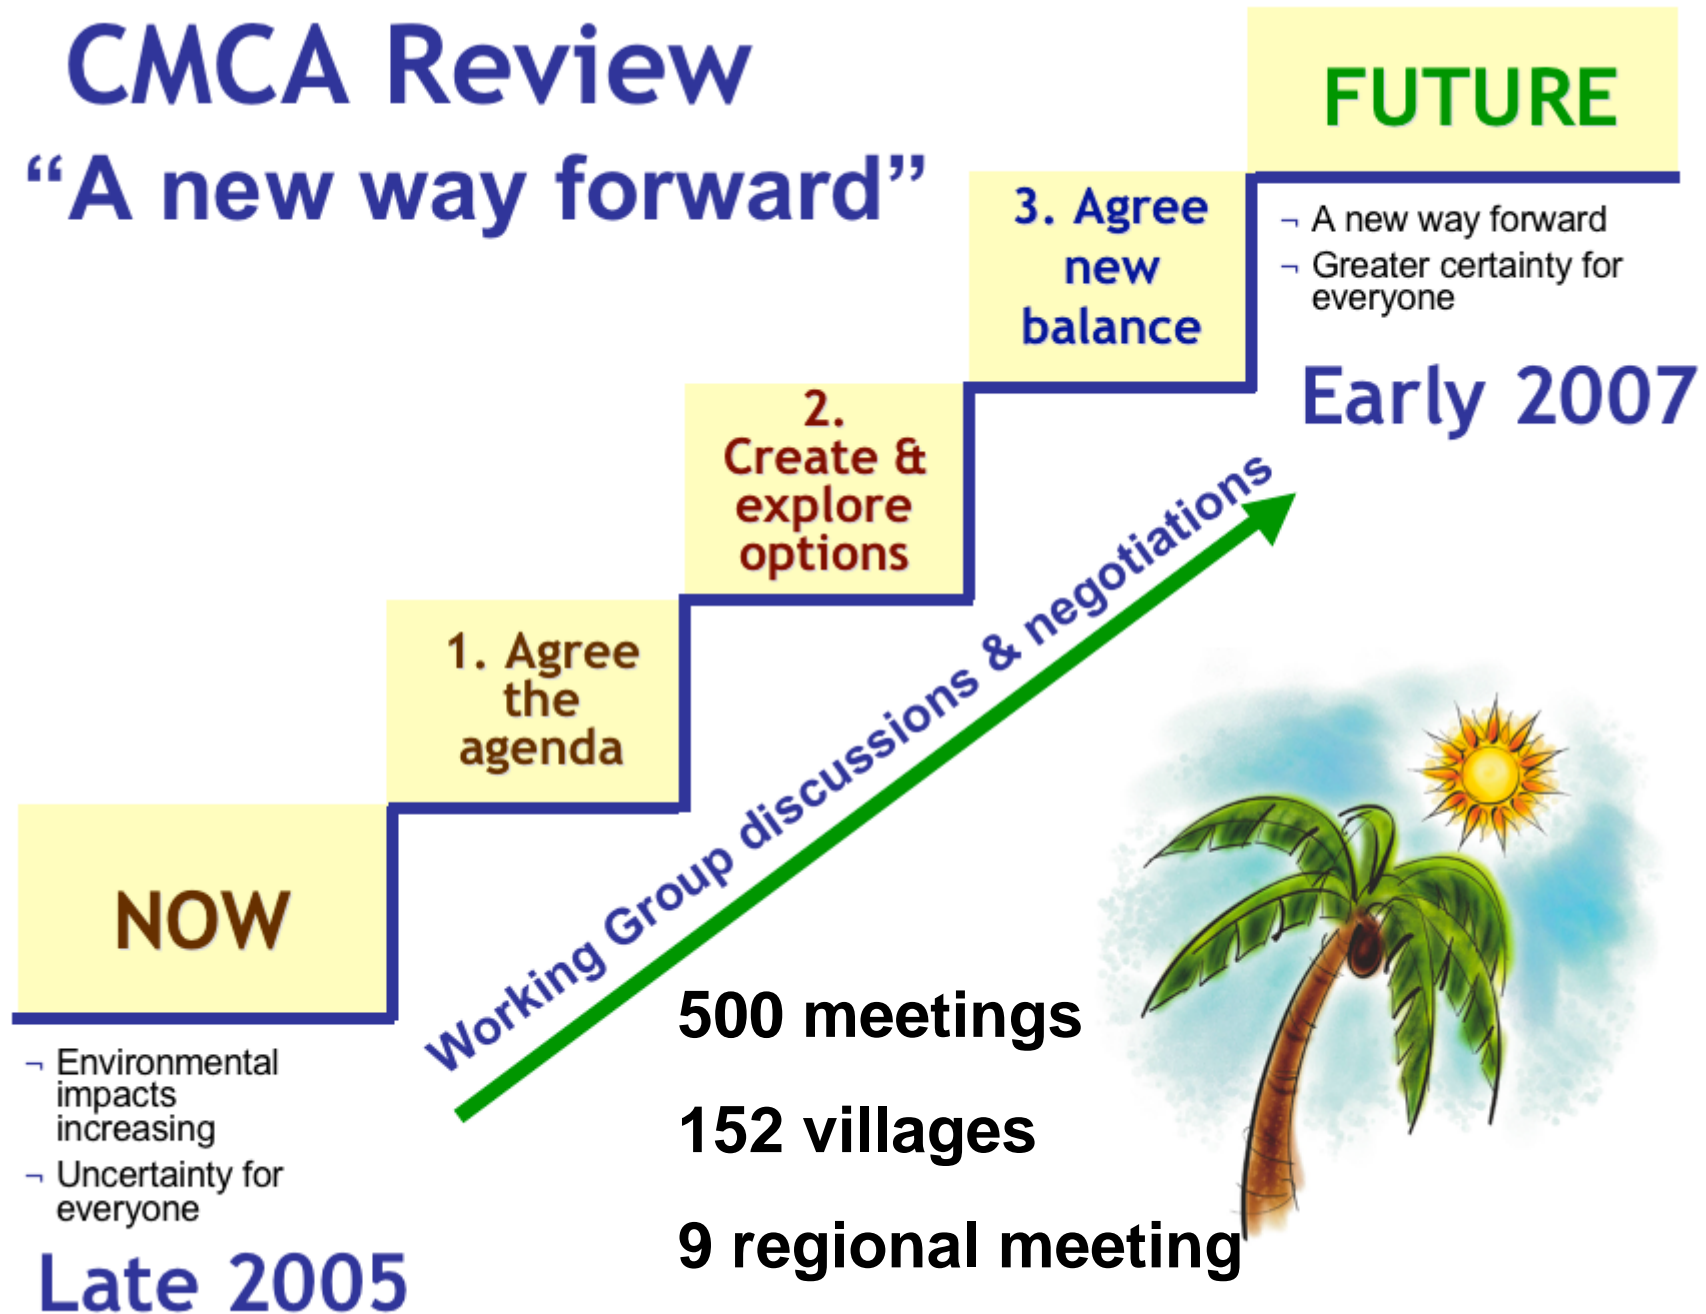

18 6 2005

Objectives

- ***Set up a framework for having productive discussions and agree a balance between the social and economic benefits and environmental impacts.***
- ***Complete CMCA Review by Feb 2007 with all stakeholders in an open and transparent manner.***
- ***Communities feel they have participated and had their chance to have their say and be heard.***
- ***Outcomes are fair, just, durable, easy to deliver.***
